Protecting Your Digital Legacy

September 10, 6 – 7:30pm

Creating a comprehensive digital asset inventory helps you take control, and gain peace of mind, over your digital devices and legacy! Determine now who will get access to your personal accounts, financial records, legal contacts, passwords, family memories, etc. Think online estate planning!

Local Podcasting

“For Seniors, By Seniors”

September 17, 6 – 7:30pm

Looking for current news and information concerning Franklin County seniors? Look no further than your local podcast “Backyard OASIS.” Learn about podcasting and how simple becoming a podcast subscriber can be. It’s like “on-demand” radio!

Internet Safety –

Scammers Targeting Seniors

September 24, 6 – 7:30pm

It’s no surprise that online scammers’ favorite target is seniors. What’s surprising is the new ways they’ve concocted, including AI, to separate you from your money. Learn the safeguards, from a trusted Franklin County source, to keep ahead of the Bad Guys!

This program is funded by the Massachusetts Broadband Institute (MBI) at the Mass Tech Collaborative under the Municipal Digital Equity Implementation Program. Funding was provided by Massachusetts ARPA State Fiscal Recovery Funds. The grant was awarded to the Town of Gill, Gill-Montague Senior Center.
